SHE LOVES YOU

You think you’ve lost your love,
Well I saw her yesterday,
It’s you she’s thinking of,
And she told me what to say,

She says she loves you and you know that can’t be bad,
Yes she loves you and you know you should be glad.

Oh, she loves you, yeah, yeah, yeah,
And with a love like that, you know you should be glad.

She said you hurt her so,
She almost lost her mind,
And now she says she knows
You’re not the hurting kind.

You know it’s up to you,
I think it’s only fair,
Pride can hurt you too,
Apologize to her,

Because she loves you...
ALL MY LOVING

Close your eyes and I'll kiss you,
Tomorrow I'll miss you;
Remember I'll always be true.

And then while I'm away,
I'll write home ev'ry day,
And I'll send all my loving to you.

I'll pretend that I'm kissing
The lips I am missing
And hope that my dreams will come true.

And then while...

All my loving I will send to you.
All my loving, darling, I'll be true.

HELP!

Help! I need somebody,
Help! Not just anybody,
Help! You know I need someone,
Help!

When I was younger, so much younger than today,
I never needed anybody's help in any way.
But now these days are gone, I'm not so self assured,
Now I find I've changed my mind, I've opened up the doors.

And now my life has changed in, oh, so many ways,
My independence seems to vanish in the haze.
But ev'ry now and then I feel so insecure,
WE CAN WORK IT OUT

Try to see it my way,
Do I have to keep on talking till I can't go on?
While you see it your way,
Run the risk of knowing that our love may soon be gone,

We can work it out,
We can work it out.

Think of what you're saying,
You can get it wrong and still you think that it's all right.
Think of what I'm saying,
We can work it out and get it straight or say goodnight.

Try to see it my way,
Only time will tell if I am right or I am wrong.
While you see it your way,
There's a chance that we might fall apart before too long.

We can work it out,
We can work it out.

Life is very short and there's no time
For fussing and fighting, my friend.
I have always thought that it's a crime
So I will ask you once again.

AND I LOVE HER

I give her all my love,
That's all I do;
And if you saw my love
You'd love her too, I love her.
A HARD DAY'S NIGHT

It's been a hard day's night
And I've been working like a dog.
It's been a hard day's night,
I should be sleeping like a log.
But when I get home to you
I find the things that you do
Will make me feel all right.

You know I work all day
To get you money to buy you things
And it's worth it just to hear you say
You're gonna give me ev'rything.
So why I love to come home
'Cos when I get you alone
You know I'll be okay.

When I'm home
Ev'rything seems to be right,
When I'm home
Feeling you holding me tight, tight, yeah.

I FEEL FINE

Baby's good to me, you know,
She's happy as can be, you know,
She said so,
I'm in love with her and I feel fine.
LET IT BE

When I find myself in times of trouble
Mother Mary comes to me
Speaking words of wisdom, let it be.
And in my hour of darkness,
she is standing right in front of me
Speaking words of wisdom, let it be.

Let it be, let it be, let it be, let it be,
Whisper words of wisdom, let it be.

And when the broken hearted people
Living in the world agree
There will be an answer, let it be.
For though they may be parted,
There is still a chance that they will see
There will be an answer, let it be.

Let it be, let it be, let it be, let it be,
There will be an answer, let it be.

Let it be, let it be, let it be, let it be,
Whisper words of wisdom, let it be.

And when the night is cloudy
There is still a light that shines on me
Shine until tomorrow, let it be.
I wake up to the sound of music
Mother Mary comes to me
Speaking words of wisdom, let it be.
Ev'rywhere people stare
Each and ev'ry day.
I can see them laugh at me
And I hear them say

"Hey, you've got to hide your love away!"
"Hey, you've got to hide your love away!"

How can I even try?
I can never win.
Hearing them, seeing them
In the state I'm in.

How could she say to me,
"Love will find a way?"
Gather 'round all your clowns.
Let me hear you say,

"Hey, you've got to hide your love away!"
"Hey, you've got to hide your love away!"

I NEED YOU

You don't realize how much I need you,
Love you all the time and never leave you.
Please come on back to me. I'm lonely as can be.
I need you.

Said you had a thing or two to tell me.
How was I to know you would upset me?
I didn't realize as I looked in your eyes.
